

Subject: Aeneas Internet and Telephone is grateful
Available for immediate release

Aeneas Internet and Telephone has been working both day and night to restore vital communication services needed by those in West Tennessee. All services have been restored!

Aeneas would like to thank those at Bellsouth and other places working under extraordinary conditions and pressing time frames to facilitate restoration of services. "These brave men and women have come together under extremely hard conditions to assist in saving our business," says Jonathan Harlan, CEO and owner of Aeneas.
